

Project 9

From the Unthinkable to the Unimaginable
From Recklessness to Defiance
From Evolution to looking in the Past
From Belief to the Flames

From the Burning of the Witches
To the Dark Rooms
From Suffering to Agony
From Agony to Silence

Solo

Destroy, destroy everyone you come across
Go, bring Death and Terror
Kill and kill again, go without Fear
I protect you! I'm waiting for you!

Kill! Kill! Kill! Kill!
And make sure you finish them
Kill! Kill! Kill! Kill!
Earn your place by my side!...

From the Unthinkable to the Unimaginable
From Recklessness to Defiance
From Evolution to looking in the Past
From Belief to the Flames

From the Burning of the Witches
To the Dark Rooms
From Suffering to Agony
From Agony to Silence...
